Closed my eyes burned them tonight
Ä°n my world there is no light
Ä°n these days I feel alone
Do u know I feel alone?

You're so weak but can't I'm strong
And the pain, that turns u on
Ä°n these days u feel alone?
Don't complain that you're alone

And I know just want to die
Ä°f I do it would u cry?
Do u know I want to die?
Realize I want to die

Same mistakes made all the time
Although u lose, u don't realize
Ä°n these days u want to die?
Noone cares if u die

U suck by repeating yourself
Doing the same things all the time

U suck!
Don't repeat yourself
U suck!
Don't repeat yourself

U suck, u suck!
