Where's our equality  
Ä°t must have gone away

Don't walk away  
Take the power as they stay  
Listen to just what Ä± say  
No way!  
Raise your voice pass on the light  
Don't give up without a figth  
Or nothing's gonna be alrighth

Democracy is a lie  
Justice is ripped and tom

Don't walk away  
Take the power as they stay  
Listen to just what Ä± say  
No way!  
Raise your voice pass on the light  
Don't give up without a figth  
Or nothing's gonna be alrighth

Someone loses someone wins  
Someone chooses all the pills  
Someone takes it all away

Someone lives and someone pays  
Who carez?

Ä°f this is freedom  
They must be joking

Don't walk away  
Take the power as they stay  
Listen to just what Ä± say  
No way!  
Raise your voice pass on the light  
Don't give up without a figth  
Or nothing's gonna be alrighth

Someone loses someone wins  
Someone chooses all the pills

Someone takes it all away  
Someone lives and someone pays  
Who carez?

Someone loses someone wins  
Someone loses someone wins  
Someone loses someone wins  
Someone lives and other one pays  
Who carez?
