Get back

Oh Oh Oh OOH

Baby a'm lonely

I

Miss you and

I Guess you thought wrong

To leave

Verse

Well watch the traffic go by, might even catch your girl
On the way Home!

The house at tripple 6 fourth street, loomed ominously
Across the street Walk,
Those Lisbon streets
2 hours passed... like in aminutes walk-

Bridge

But

I heard you say-you want to leave

I heard you say-you want to go

You have got a love fractured Heart!

Like a learners heart

You have got that love in Heart

Sweet Girl

Chorus

IGuess you thought wrong

To leave

I guess you thought wrong

To leave me
