Ever Wondered about what she used to when
And how, when, where all times all lies
Sometimes I think than it's it's Betterk why
[Music]

Ever Wondered about what she used to when
And how, when, where all times all lies
Sometimes I think than it's it's Betterk why

Ever Wondered about what she used to when
And how, when, where all times all lies
Sometimes I think than it's it's Betterk why
