Young as you are, as you were, as we want you to be  
Kurt Cobain lives again in our own memories  
Tape rewinds, there you are, the voice is yours and the  
face  
Stays preserved evermore when you're on  
MTV, yeah (x 4)

Young as you are, can't you see, that that's no way to  
be?  
Kurt is dead, that's the end, and there's no  
Remedy, yeah (x 4)

It's a chance that he won't have again  
No he won't have again (x 2)

Please, yeah  
Let 'im be, yeah (x 3)

Young as he was, 33, Jesus died for you and me  
Let him in, as a friend, and you know where you'll  
Be, yeah  
Heavenly, yeah  
Eternity, yeah  
Heavenly, yeah

And God's word says you'll be born again  
Yeah, you'll be born again (x 4)

Heavenly, yeah  
Eternity, yeah
