This is just another story of a girl and a boy  
Both have fallen in love so long time ago  
Now they still need eachother  
They can't give what they want  
And all the things that they have  
They're falling apart

Someday I will find myself  
Someday I will be myself  
Someday I will be the one that comes back for you  
Someday I will find myself  
Someday I will be myself  
Someday I will be the one that comes back for you

This is how the story goes on  
They're trying to wake up  
But it doesn't work  
As they both need eachother

Memories burn like tattoos  
Feelings, as water, fall  
I spread a fairytale is falling apart

Someday I will find myself  
Someday I will be myself  
Someday I will be the one that comes back for you  
Someday I will find myself  
Someday I will be myself  
Someday I will be the one that comes back for you

I can't be myself  
I can't find myself  
I can't be the one that comes back for you

(Someday) I will find myself  
(Someday) I will be myself  
(Someday) I will be the one that comes back for you

Someday I will find myself  
Someday I will be myself  
Someday I will be the one that comes back for you

I can't find myself  
I can't be myself  
I can't be the one for you
