Insomniac living dead
Lay down your weary head
Forever to wander
You'll rest when you are dead
So anxious so restless
Searching for sweet release
In this world sleepless soul
Wandering endlessly

CHORUS: You close your eyes and hope it all just goes
away
But behind closed eyes the same old tired scene plays
Hold onto hope and hope tomorrow maybe you'll awake
Maybe you will or maybe you'll just fade away

Sleep will not find my eyes
My silver satellite
Minimum wage beer and rage
We stay up every night
Dream with our eyes open
Stare at our tv screen
This vicious cruel cycle
Just keeps repeating

CHORUS: We close our eyes and hope it all just goes
away
But behind closed eyes the same old tired scene plays
Hold onto hope and hope tomorrow maybe we'll awake
Maybe we will or maybe we'll just fade away

BRIDGE: I'm tired can't I get some sleep
I'm tired can't I get some sweet relief
I'm tired can't I get some sleep

Insomniac living dead
Lay down your weary head
Forever to wander
You'll rest when you are dead

CHORUS

Insomniac living dead

Lay down your weary head...
