I wanna stay by your side
I just don't know what to do
You make feel so good
I want you baby
And when you hold me so tigh
I just don't know how to hide
You make me feel all night
Don't let it die
I feel the passion inside
I can't get you out of my mind
I'll gonna make it right
I'll show you baby
I never neded anyone
I just can stand on my own
You came into my life
Don't waste my time
Ohh Baby I folow in my live
Oh I can't denie
You love for ready take control of my heart
I need you
I wanna be with you

I'll never let you go

Gonna make you love me baby
