See the light electrons caught in your fireplace
distortion.

Tell me, did you notice our antlers always mix up?
Always mix up?
Tell me, did you notice our antlers always mix up?
Always mix up?

Lost without your antlers growing,

It seems my own reflection--

Tell me, did you notice our antlers always mix up?
Always mix up?
Tell me, did you notice our antlers always mix up?
Always mix up?

(Ahhh...)
(Ahhh...)
(Ahhh...)
(Ahhh...)
