In a train that goes really fast  
Overtaking those trees at last  
But we don't care about that  
We are not scared of it  
Maybe I'll see you again  
Maybe I'll trust in a friend

(Time falls down too)  
I'll wait until there's you  
(Time falls down too)  
I'll wait until there's you

(Ooh...)

From a plane that flies really high  
I can see the stars fill the sky  
But we don't care about that  
We are not scared of it  
Maybe I'll see you again  
Maybe I'll trust in a friend

(Time falls down too)  
I'll wait until there's you  
(Time falls down too)  
I'll wait until there's you

(Ooh...)
