Wait there, stop
You know I didn't mean it
I'm not really sure I'm not really sure
What they've all been talking

Theo Theo, get yourself together
We all make mistakes
We not really sure we not really sure
What they've all been singing

Oh Theo, what seems to be the problem
I really can't get a grip on yourself

Oh Theo, what seems to be the problem
I really can't get a grip on yourself

Oh,
Theo where could she go
Theo where could she go
Theo where could she go...

It's been 4 days now
I can't believe it but I miss you
I'm not really sure I'm not really sure

Theo Theo, get yourself together
We all make mistakes
We not really sure we not really sure
How to act, or to behave

Oh Theo, what seems to be the problem
I really can't get a grip on yourself

Oh Theo, what seems to be the problem
I really can't get a grip on yourself

Oh,
Theo where could she go
Theo where could she go
Theo where could she go...

You start you start oh you start running (x8)

Oh,
Theo where could she go (you start you start oh you
start running)(x1000)
