Redefined in the abyss of a predator's mind
A vampiric feast to satisfy my hunger
I kill in a serial thrill to collect in the night
I stalk through the fear I have created

Merciless in a serial thrill
The ungodly thirst and sacrifice
Elaborate the vice inside the

Bloodlust - the ungodly thirst and sacrifice
Bloodlust - the darkness has fallen

I am right behind you
And out for blood
Like the seeker I am
Elaborate the vice inside the

Bloodlust - the ungodly thirst and sacrifice
Bloodlust - the darkness has fallen
Bloodlust - modulation of the heart

Chorus:
I only persist in the absence of passion
In the decadent hours of mistrust
Oh how I bleed...

I perceive through the callousness of dying
And now I feel the other side

The revolt of violence - the dark interior
The revolt of violence - the inferior in me

My lifelessness is the unrest in my soul
I kill in a serial thrill to collect in the night
I stalk through the fear I have created

Merciless in a serial thrill
The ungodly thirst and sacrifice
Elaborate the vice inside

Bloodlust - the ungodly thirst and sacrifice
Bloodlust - the darkness has fallen
Bloodlust - modulation of the heart

I only persist in the absence of passion
In the decadent hours of mistrust

Of mistrust I bleed the daggers
I'm bleeding out the words of my soul
