How much I miss you
My blood in veins
How much I miss you
Your words of solace

I feel it's over
Everything what I want
Is just only our last one day
Together my heart discreetly
Ripped into two

It's seems to me so far and so long
When my faithful hand was in yours

I love you my lord
What I want you to belong to me
So please stay beside me
Stay just for only one day

My body's aching and everything too
There is nothing for my faith
Only tears seems to be true

With my breath
With my touch
With smiles
That's my love
From my heart
My mournful heart
Give me only one day
I beg you
Look at me
What you see?
My broken mind can not cry
But you can't hear me

With my hope
Faith in you
Faith in love
Why don't you see?
This pain in my eyes

How much I miss your words of solace
I feel it's over
Everything what I want
My life is lost
Evermore
I failed
