Look trough my eyes  
And youÂ´ll see more  
I donÂ´t wanna keep away  
But stay before

Look trough my eyes  
IÂ´m so alone  
There is no one else  
But you...

I saw the utopia treasure  
Better for me  
And better for you  
I saw the utopia treasure  
Better for me  
And better for you too

Try touch the vision  
Of perfect world  
For lost society,  
You need the save world

IÂ´ll follow my aim  
While my heartvis beating (for ever)  
And when thereÂ´s no way out  
I would die for a fight  
And you should close your eyes  
Until my arm is out  
Cuzi... I... I wanna live for the end  
IÂ´ll follow my aim  
While my heart is beating out (for ever)  
And when thereÂ´s no way out  
I would die for a fight

Are you satisfied?  
Are you satisfied?  
IÂ´m not... I saw more  
Are you satisfied?  
Are you satisfied?  
IÂ´m not... I want more

LetÂ´s break down this illusion

Of our nasty world  
Let's break down this illusion  
Of our nasty world

We are slaves, together  
We can leave this  
Mosaic of blood earth

Look through my eyes  
And you'll see more  
I don't wanna keep away  
But stay before  
Look through my eyes I'm so alone  
There is no one else  
But you

I saw the utopia treasure  
Better for me and better for you  
I saw the utopia treasure  
Better for me and better for you too
