I:

Any rock is a wall when you're small and you're
scratching a hole
Free fall, life is like pinball
I love you when you call me a genius
I wanna change your DNA with my penis
You ain't nothing but a fake dog, I'm a true dog
Fuck it, not makin' love, yo, it's all about the life
You can see from the outer space my dick' size
With your own eyes, but you can't see me
Smoking weed on my roof all night
I'm sick of whole life, sick of my future wife

Viata-i curva ca si tine, deci traiesc cu doua zdrentze
Nu vreau sa ma culc cu tine, vreau doar sa te f*t
Cand f*t nu dorm, atunci de ce sa ma culc cand f*t
Eu-ti pun mana, in schimb tu imi sugi p**a, e crud
De ce nu-mi iei p**a in gura cand te doresc atat de
mult?, spui
Banii vorbesc, le sparg eu gura-n fatza
Ce-ti doresti de la viata intr-o viata e inc-o viata
Te vad disperata, in
