The time the ages ? they're waiting for me  
Like a book like pages ? and I will read them all  
They'll show the secrets I've never seen before  
Hesitation and regret are all behind me now

Don't want me to stay away  
I've got the chance I have to try

Eye of Time - you are mine  
Take me where I want to be  
Eye of Time - you are mine  
I've got the key  
Eye of Time - you are mine  
Show me what I want to see  
Eye of Time - you are mine  
You own my mind

My thoughts, my feelings they're rushing all around  
The work that I've done at last pays me the price  
I found the only path that leads to new dimensions  
Maybe there's no way back, maybe it's a one way ride

Don't want me to stay away  
I've got the chance I have to try

Eye of Time - you are mine  
Take me where I want to be  
Eye of Time - you are mine  
I've got the key  
Eye of Time - you are mine  
Show me what I want to see  
Eye of Time - you are mine  
You own my mind

My thoughts, my feelings they're rushing all around  
The work that I've done at last pays me the price  
I found the only path that leads to new dimensions  
But there's no way back, maybe it's a one way ride
