We started out friends hanging out, here and there.  
But now I see you noticing me with your beautiful stare.  
You make me wanna fly high baby, so high baby.  
Think of you.  
You make me wanna drop everything that I got on me  
and go with you.

So take me away, take me away.  
I don't have a reason to stay.

I wanna fly away like a bird in the sky.  
I got my wings, I got my wings. I'm going high.  
Fly away with you by my side.  
I got my wings, you got your wings were going high.  
Up and up and low. Flying side by side.  
Going up so high. I gotta fly, I gotta fly, I gotta fly

I liked you then, but now you're gone. You're not the same.  
The way you made me feel inside, it was all a lie.  
So I'm pushing you away.  
You make me wanna fly high baby, so high baby.  
I don't care.  
What you want, what you need, you gotta, you gotta,  
you gotta let me be.

You took me away, took me away.  
And now I don't know what to do.

I wanna fly away like a bird in the sky.  
I got my wings, I got my wings. I'm going high.  
Fly away without you by my side.  
I got my wings, you got your wings were going high.  
Up and up and low. Flying side by side.  
Going up so high. I gotta fly, I gotta fly, I gotta fly

Baby you don't know, what you do to me.  
And you took my heart and now I wanna be set free.  
I wanna fly, so high. I wanna fly, so high.

I wanna fly away like a bird in the sky.  
I got my wings, I got my wings. I'm going high.  
Fly away without you by my side.  
I got my wings, you got your wings were going high.  
Up and up and low. Flying side by side.  
Going up so high. I gotta fly, I gotta fly, I gotta fly...
