Save me with a fall
Save me from the sick woman
Let her speak
No you said all
Till we meet the splintering
I dreamed a dream I thought I knew
I drew a line that came a blue
My leg is dead so I can't go
To where I think my heart would choose

And we're floating
Riding the hill side
Into tomorrow
Oh Maddie don't let me down
Off a mountain
What an arrival
Into tomorrow
Oh Maddie don't let me down

I believe in what you reap you sow
So what goes around comes around
So what goes around will come back around
I believe in what you reap you sow
So what goes around comes around
So what goes around, I will come back around
So long as I'm around

And we're floating
Riding the hill side
Into tomorrow
Oh Maddie don't let me down
Off a mountain
What an arrival
Into tomorrow
Oh Maddie the splintering

And we're floating
Off of the hill side
Into tomorrow
Oh Maddie don't let me down
Off a mountain
What an arrival

Into tomorrow
Oh Maddie don't let me down
