So what do you think we should do?
Go on and see this through?
Fill up the nest with an egg or two
And exhaust the vows just to renew

How do you think it might be?
If we continue on so famously?
Branching out our little family tree
Becoming a memory factory

Loving the music way too loud
Turning up that old Johnny Dowd
Celebrating the next storm cloud
Feeling so proud, go on and say it out loud

Maybe we should see this through
Do to me like I do to you
Fill the nest with an egg or two
And exhaust the vows
Exhaust the vows
Exhaust the vows
Just to renew
