Tell me how that's the way to steal, but it's bad to tell
anyone,
Cause you're a stealer(6x) stealer and pathetic.

What you're goanna do today, B.E.P. in 1999 is bad,
cause you're a
Stealer(6x) stealer and galactic.

Choruse:

Hey, what's up, what are you stealing?, my favorite
singer,
Cause you're a stealer(6x) stealer, stealer

What could it be say a bad word, all about the Lord,
God is
Pathetic, he turned my favorite singer old in 2021, and
he toled the manager to releaese the singer, and
someone
Stole, my favorite singer,
So what's up
Blame the lord
Kill people
Cause you're a stealer
Stealer, stealer,
Stealer, stealer, stealer and pathetic,
Stealer and galactic.

(Repeat Choruse 20x)

Cause you're a stealer
