(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison)

My head keeps spinnin' when I listen to your bitchin'

Never heard a word my dirty mouth spits

I'm crazy, wasted, I am lazy

No one hears what I say, I'm

[CHORUS]

Talkin' to myself when I say, kick and scream

Nobody listens

We can live some other way if you don't know

I bitch and scream, nobody listens to me

I don't pay attention to misinformation

The words we speak are always so degrading

There are things you ought to know but ya don't care

Speak your mind if you dare, I'm

[CHORUS]

I'm in a world gone mad, I never heard a place so sad

In a world where the people don't give a damn

'Cause they've got a free ticket to the promised land

I'm in a world gone mad

If you know we'll take you there

[CHORUS]
