Girl you gotta' bounce that
Baby lemme' see you do ya thing
You know that ima pound that
Cause ima let ya girl know my name
Girl you gotta bounce that
Nonstop 'til the break of dawn
You know that ima pound that
Woahhhh woahhh

Open the door and there you are
Sittin' on the bed like a porno star
See through panites and a push-up bra
Look so good, mami take that off
So hood gotchu rollin' with it
So hood ima go get it
Your screamin' oh my god
Hit it from the back, & you know I go hard
Get on top, put your hands on my chest
Give it all I got, never settle for less
Your cummin' one more time
So am I

Girl you gotta' bounce that
Baby lemme' see you do ya thing
You know that ima pound that
Cause ima let ya girl know my name
Girl you gotta bounce that
Nonstop 'til the break of dawn
You know that ima pound that
Woahhhh woahhh

Kiss ya kneck & ya collarbone
Then I kiss your nipples
Lips on top
Then the ones in the middle
Ima little shy, damn right
Girl I do it right
Have you cummin' multiple times every single night
Gotchu' bitin' on ya bottom lip
Hands on my chest
Look me in my eye 'cause you know we the best
Yeah freaky lady go lean ya kneck back
Touch ya own breasts baby
Ass like that
Ridin' & ridin' baby I'm supplyin'

Hurt so good gotchu lookin' like ya cryin'
Give a little push & you throw it right back
You gotta bounce that

Girl you gotta' bounce that
Baby lemme' see you do ya thing
You know that ima pound that
Cause ima let ya girl know my name
Girl you gotta bounce that
Nonstop 'til the break of dawn
You know that ima pound that
Woahhhh woahhh
