I don't wanna be your boyfriend  
I just wanna hold your hand  
It just seems you were stuck with me  
You were never free or his

I still have a few more questions  
Possibilities are overwhelming  
I'm so mean, never what it seems  
I just can't control this doubt

So if you think you've got it all figured out  
Lets see what the wind blows in

I don't wanna be your boyfriend  
I want you to understand  
Sex is cheap, ???? is for me  
I just wanna hold your hand

I will ???  
I can't conjure up and snap you're there  
Look at me,  
I hope that you believe  
I am only trying to play fair  
So don't be scared

If you think you've got it all figured out  
Lets see what the wind blows in  
Lets see what the message read  
And if you get the urge to shout  
Take a deep breathe and  
Let it all out x8

It's not as detrimental as it seems  
It's just you and me now  
It's not complicated  
It's not frustrating  
It's so complicated  
Just lay with me  
It's just you and me now  
Let it all out x8

If you think you've got it all figured out

Let's see what the wind blows in
