hello we're p.p.
bout as good as bad can be
hi it's nice to meet you

we like 70s and 90s junk
mix it up with a little bit of (SHUT UP!)
but you wanna taste of 80s jams just throw up your god
damn hands and
come on get your lighter on motherfuckers
git yr fucking lighter on
ill fucking punch you
stab you in your fuckin face you motherfucker
git yr lighter on

i stayed up all through the night
busy like the hum of a flourescent light
just wondering how all this shit would work itself out
but now step it up on the stage
it's clear that we've found our place
you hear a single word we say?
amuse us for one second please
come on!

come on git yr lighter on
ill fucking shank you
git yr fucking lighter on
you light yr stogies
git yr fucking lighter on you motherfucker
im fond of saying fuck

come on shake yr booty now
sexy shake yr booty time
come on shake yr booty now
dont you mess around

Uh!
Uh!

alright we said it
(we said it)
okay we did it
(what'd we do)

who cares (who cares)
who cares (who cares)
who cares
(who cares)

one more time!
come on git yr lighter on you motherfucker
git yr fuckin lighter on i fucking told you
can you fucking hear me now
get it on
git yr lighter on
git yr fucking lighter on you motherfucker
git yr lighter on

Uh!
