Well you got me shakin' from my head to the bottom of  
my toes  
Shakin' all over like nobody knows  
With your head on my shoulder and your hand on my  
knee  
Losin' up baby now mama can't see

All I can do is hold on tight  
And make it together all through the night  
Mama don't mend when mama don't see  
It's gettin' so hot but you're burnin' me

I wanna touch too much of your tender love  
A touch too much of your good good lovin'  
A touch too much of your tender love  
Now I'm runnin' a fever of 90 above

Well it ain't easy to figure out the way I feel  
Somehow honey it don't seem real  
Gimme the fire of my desire  
Now the flames of love burn higher and higher

Every little word you say to me  
Make my back bone shiver, I get weak at the knee  
Oh my my, you turn me on  
How can anyone say that you won't let love

I wanna touch too much of your tender love  
A touch too much of your good good lovin'  
A touch too much of your tender love  
Now I'm runnin' a fever of 90 above

Ah - come on now honey  
Let's slow it all down, just a little  
I wanna feel your touch  
'Cause honey, you know you make me shake  
And I just want you to do some - a little bit for me  
Oh honey, you know what I want

I - I - I - I - I wanna touch too much of your tender love  
A touch too much of your good good lovin'

A touch too much of your tender love  
Now I'm runnin' a fever of 90 above ....
