When you're lonely in the night  
I'll be there to hold you tight  
If you ever want to cry  
I'll be there to kiss you're eyes

Every night  
I'll whisper from my heart to you  
all the words of love  
And you'll never gonna cry  
Every night  
We will kiss in the moonlight  
You'll never gonna cry  
I will never make you cry

Love me, love me, love me lalalala  
Feel me, touch me, hold me lalalalala  
Take my heart, i'm lonely lalalala  
Kiss me, touch me, love me, love me (2keer)

Kalinka kalinka kalinka moya!  
V sadu yagoda malinka malinka moya!  
Kalinka kalinka kalinka moya!  
V sadu yagoda malinka malinka moya!

If you let me in your heart  
We will never be apart  
Leave your world and come with me  
Only love can set me free

Every night  
I'll whisper from my heart to you  
all the words of love  
And you'll never gonna cry  
Every night  
We will kiss in the moonlight  
You'll never gonna cry  
I will never make you cry

Love me, love me, love me lalalala  
Feel me, touch me, hold me lalalalala  
Take my heart, i'm lonely lalalala

Kiss me, touch me, love me, love me (2keer)

Kalinka kalinka kalinka moya!  
V sadu yagoda malinka malinka moya!  
Kalinka kalinka kalinka moya!  
V sadu yagoda malinka malinka moya!

raz, dva, tri, iee  
hop, hop, hop, hop...davai, davai, davai  
hop, hop, hop, hop...davai, davai, davai
