Everytime I hold you near
You say words I love to hear
Babe, you take my breath way
Love you more and more each day
Baby, you will never find
In this world a love like mine
Babe, I feel so warm inside
When I have you by my side.

Refren(x2):

My la-la-love
Tonight at night
I hold you in my arms
The sky will bring sunshine
Without your touch,
Without a smile
My heart is empty,
You can see it in my eyes.

II:

Babe, you knock me off my feet
When you kiss me on the lips
Babe, let's fly away with me
In the world of extasy
Baby, feel my pain is real
Stay with me, I want you near
Baby, when we kiss and touch
To my heart it feels so much.

Refren(x2):...
