You called me up with your big decision
To tell me that our love was fake religion
I worshipped you like a born again Christian
But God is dead and I failed to listen
In this cult...
Yeah, this cult of love
Cause baby
You and I were meant to convert this world
With me your faithful boy and you my godly girl
Our vision of the future was heavenly lovers
Where our bodies found Christ under the covers
But ashes turn to ashes and hearts to dust
When love it finds a devil and god makes us lust
I prayed and prayed for your resurrection
To show me true spiritual perfection
But on the third day of cruxifixion
I heard your words on this fake religion
In the cult...
Yeah, this cult of love
Cause baby
You and I were meant to convert this world
With me your faithful boy and you my godly girl
Our vision of the future was heavenly lovers
Where our bodies found Christ under the covers
But ashes turn to ashes and hearts to dust
When love it finds a devil and god makes us lust
Let's go!
Girl, you've proved to me
That there ain't no church
Of love
There ain't no God
Of love
There is only a cult
A cult of love
You and I were meant to convert this world
With me your faithful boy and you my godly girl
Our vision of the future was heavenly lovers
Where our bodies found Christ under the covers
But ashes turn to ashes and hearts to dust
When love it finds a devil and god makes us lust
Love...
