Enter into a new realm a new dimension
Pay close attention
And witness knowledge born on the microphone
For the people that I call my own

Remember back when good rap was just a cool dance
hit
They even though it wasn't saying
Well, them days is gone I don't play that
Pick the punk and I'll say like wack

Stick with the sick style for the serious
Hip Hop lovers can't get enough of this
Black tracks on wax are so smooth
You can't get help but the thought to move

This is a call and a plea for unity
Black is back, uplift and be free
Keep pushin', our movement moves on
So strong, now

With a raised fist I resist
I don't burn, so don't you dare riff
Or step to me, I'm strong and black and proud
And for the bullshit, I ain't down

Life in the city's already rough enough
Without some young sucka runnin' up
You don't know me, so don't step
I roll to the right and then bust your lip

Paris is my name, I don't sleep
I drop science and keep the peace
Here to bust this for better justice
Another dope Scarface release

This is a serious style for the gifted
Pro-black radical rap's uplifting
Still growing, the power's so strong
You can't stop it, now

We declare our right on this Earth

To be a man, to be a human being
To be respected as a human being
To be given the rights of a human being

In this society, on this Earth in this day
Which we intend to bring into existence
By any means necessary

Alright, let's start some mo' shit
Straight up on the movement tip
With forces strong as Allah's my third eye
Black is back and P-Dog'll never die

Who said that you can't do this
Can't be wise or be for the movement
Games, I won't have so don't you play none
You'll see why when I'm gone

Skinheads end up dead 'cause I don't play
Brothers swarm under the form of Scarface
Round up, roll out, we'll roll em up like Rolo's
I stomp sixteen solo

Straight for the jugular, hope that I don't
Swarm and bust a cap by night so
You just keep your place 'cause I won't stop
I'll keep pushin' that movement rock when I
