I'm sick of all the shit in 94 so now I'm capping  
Fucking with them devils everytime I starts to rapping  
Listen to the man cause the man is coming right  
P Dog is in the house until them brothers see the light  
But now understand I aint concern with the bullshit  
Cause I know the truth I see their mothafucking  
hootprint  
Got niggaz tripping of the violence and the 40 ounce  
So I call my homies get my strap and go take forty out  
That's the way I'm coming so you better tell a friend  
Bitch, I aint your boy so respect me as a man  
And niggaz understand that I'm down for whatever  
We gotta make it better brothers gotta stick together...  
Pay attention to the...

P-Dog

"One time for your mind: Scarface and I thought you  
knew..."

Pay attention to the...

P-Dog

Death with the record...Death with the record...(repeat  
twice)

Now house niggaz on the left wanna talk shit  
Mothafucking devils on the right wanna dump a clip  
Ever since I broke the grip of shame back in 89  
I see tricks tripping all the time like I did a crime  
Got me on the news cause they wanna hide the truth  
But notice that I'm a soldier and I'm coming at the  
youth  
Black guerrilla standing for my folks and I'm proud  
This one's going out to the brothers locked down  
Now as long as we keep playing by your rules  
I'm leaving shit stains on your flag till I'm tought time  
After time I bring them mothafucking facts  
I'm coming pro-black, understand where I'm at  
Take a listen to the...

P-Dog

"One time for your mind: Scarface and I thought you

knew..."

Pay attention to the...

P-Dog

Death with the record...Death with the record...(repeat twice)

Never fucking with no dank, cut no drink  
You can keep that shit for the next niggaz  
Slanging with a weak rap, busta-ass bandwagon  
niggaz  
Wanna be the new gangsta of the week on the street  
But aint got a clue, damn, it's a trip  
How them devil-ass labels put everything they got in  
that shit  
But they never push anything real for the good of the  
community  
It should be plain to see, fucking over you and me  
So I stay true to the game cause it's on, praise to Allah  
Running real for the cause, never underestimate my  
enemies  
But trip on how they operate cause they wanna see me  
slip  
As long as I'm living I keep giving you the facts  
Bumping when I'm smuggling in the message in the  
rap  
So pay attention now cause I'm about to catch a case  
Them mothafucking snakes wanna nigga in his place  
But I keep on saying...

P-Dog

"One time for your mind: Scarface and I thought you  
knew..."

Take a listen to the...

P-Dog

Death with the record...Death with the record...(repeat  
four times
