Secret mission, looking for a lover
Don't disturb, 'cause I am under cover
Out of mission, looking for a lover
In disguise, and working under cover
Oh. O-oh
Oh. O-oh
Hey! I caught you, freeze right there
Hey! I caught you, freeze right there
Hey! I caught you, freeze right there
Hey! I caught you,
And now your mine.
Secret mission, gonna take you higher
Wanna get close and wanna feel desire
Out of mission, I'll tie you up with wires
And when I'm done, I will retire
Oh. O-oh
Oh. O-oh
Hey! I caught you, freeze right there
Hey! I caught you, freeze right there
Hey! I caught you, freeze right there
Hey! I caught you,
And now your mine
Secret mission, looking for a lover
Don't disturb, 'cause I'm under cover
Out of mission, looking for a lover
In disguise, and working under cover
Secret mission, gonna take you higher
Wanna get close, and wanna feel desire
Out of mission, I'll tie you up with wires
And when I'm done. I will retire
Secret mission, looking for love
Secret mission, looking for love
