I lost my heart in Luxemburg
I messed around in Amsterdam
And Paris made me wanna dance
And now I'm lost In London Town
I found myself in Tokyo
But lost control in New York
I had a drink in Moscow
But then woke up in Cairo
Streetlights, streetlights
Tonight you gonna save me
Streetlights, city nights
Let them shine on me
Repeat x1
I was a star in Luxemburg
But fell in love with Amsterdam
And Paris made me wanna sing
And now I'm back in London Town
I found myself in Tokyo
But lost control in New York
I had a drink in Moscow
But then woke up in Cairo.
Streetlights, streetlights
Tonight you're gonna save me.
Streetligths, citynights
Let them shine on me.
Repeat x1
Streetlights, streetlights.
(repeat streetlights 4x)
Streetlights, citynights.
(repeat citynights x4)
Streetlights, streetlights
Tonight you're gonna save me.
Streetligths, citylights
Let them shine on me.
