Don't stray
Don't ever go away
I should be much too smart for this
You know it gets the better of me
Sometimes when you and I collide
I fall into an ocean of you
Pull me out in time
Don't let me drown, let me down
I say it's all because of you
And here I go losing my control
I'm practising your name
So I can say it to your face
it doesn't seem right to look you in the eye
And let all the things
You mean to me
Come tumbling out my mouth
Indeed it's time tell you why
I say it's infinitely true

Say you'll stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you

And there's no cure
And no way to be sure

Why everythings turned inside out
Instilling so much doubt
It makes me so tired
I feel so uninspired
My head is battling with my heart
My logic has been torn apart
And now it all turns sour
Come sweetened very afternoon

Say you'll stay
Don't come and go
Like you do

Sway my way
Yeah I need to know
All about you

Say you'll Stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you

Its all because of you
Its all because of you

Now it all turns sour
Come sweetened every afternoon
It's time tell you why
I say it's infinitely true

Say you'll Stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you

Say you'll Stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you

Its all because of you
Its all because of you
Its all because of you
