An open microphone can be dangerous
Let's tune in on a tool of the greatest MC out there

Take that!
Come back here and fight!
Come out and fight!
Carry on, hurry on necessary ventilation, sniper!

Where are you?
Stop right there

The builder's hand strikes thee down at my call

I spied one who may be an escaped prisoner, be wary
Assassin! Murder! Take him! After him!

Come out and fight!
For your
Sniper!
Come out here, I dare you!

Take that!
Come out and fight!
Die!
I there
This is gonna be fun!
