#### Verse 1

Never thought I'd be here  
Summing up these years  
Putting in words how you blow me away

But since I gotta be here  
I just wanna be clear  
My loves deeper than words can say

#### Pre - Chorus

You've probably heard it all  
But I'm gonna give my all

#### Chorus

I'm gonna write you an endless letter  
Cuz once I begin, won't know how to end  
I'm gonna write you an endless letter  
Don't know how to say  
My love in a page

#### Hook

Cuz it never ends (8x)

#### Verse 2

You've had a hard life I know  
But you never let it show  
I don't know how you do it all

Just want to see you happy  
Anything I'd do it gladly  
You deserve it more than most

#### PreChorus

You've probably heard it all  
But I'm gonna give my all

#### Chorus

I'm gonna write you an endless letter  
Cuz once I begin, won't know how to end  
I'm gonna write you an endless letter  
Don't know how to say  
My love in a page

Hook  
Cuz it never ends (8x)

Bridge  
Cause I don't know  
When we will go  
I owe you so  
So much you give me  
Just keep this note  
It shows how much I love you

Chorus  
I'm gonna write you an endless letter  
Cuz once I begin, won't know how to end  
I'm gonna write you an endless letter  
Don't know how to say  
My love in a page

Hook  
Cuz it never ends (8x)
