You with the sad eyes, don't be discouraged  
Oh I realize, it's hard to take courage  
In a world full of people, you can lose sight of it  
And the darkness inside you makes you feel so small

But I see your true colors shining through  
I see your true colors, that's why I love you  
So don't be afraid to let them show your true colors  
True colors are beautiful  
Like a rainbow  
(Oh oh oh oh, Oh oh oh oh, Oh oh oh oh)  
Like a rainbow  
(Oh oh oh oh, Oh oh oh oh, Oh oh oh oh)

Show me a smile then, don't be unhappy  
Can't remember when I last saw you laughing  
If this world makes you crazy and you've taken all you  
can bear  
You call me up because you know I'll be there

I see your true colors shining through  
I see your true colors, that's why I love you  
So don't be afraid to let them show your true colors  
True colors are beautiful (Cheer up! ) like a rainbow

I see your colors though they appear to be different  
You should never be afraid because your difference is  
the difference  
We live in a time where to be yourself is hard  
And the way you really feel can leave you emotional  
scar  
But stay strong, stay firm and never back down  
Being yourself is the only way to act that  
(Like a rainbow)  
Trust me, I'm a fighter and a lover  
But the only time I fight is to reveal my true colors  
You know  
(Oh oh oh oh, Oh oh oh oh, Oh oh oh oh)

I see your true colors shining through  
I see your true colors, that's why I love you  
So don't be afraid to let them show your true colors

True colors are beautiful like a rainbow  
Like a rainbow  
Your true colors, yeah  
Your true colors, yeah  
I see them, your true colors  
You with your sad eyes
