I'm done with you now.  
Can't you see that I'm all worn out?  
It's never too late to turn back.

Why can't you see,  
(This bitter existence, just throw it all away.)  
What you're doing to me?  
Why can't you see what you're doing to me?  
Why can't you see what you're doing to me?

I'm done with you now.  
Can't you see that I'm all worn out?  
It's never too late to  
Turn back and let this all fall through,  
Because you never knew  
How much I wanted to believe in you, believe in you.

I won't let you hold me back anymore.  
I can't let you hold me back anymore.

I'm done with you now.  
Can't you see that I'm all worn out?  
It's never too late to  
Turn back and let this all fall through,  
Because you never knew  
How much I wanted to believe in you, believe in you,  
believe in you.

I see you destroying my self-confidence  
With a single glance,  
But this was not my intention and I never imagined  
That it'd come to this.

You can't go through life  
Trying to change the past.  
You have to move forward  
And see what's in front of you.

Sinking ships and burning bridges,  
This is dead to me.  
Sinking ships and burning bridges,  
This is dead to me.
