I never looked for answers in a bible and I never  
searched for excuses in the bottom of the bottle  
And I never cried when my sister OD'ed and died  
And I never fucking cried when my brother committed  
suicide  
But the pain keeps me alive, adapt and overcome is  
how I survived 2x's  
I never questioned why when you dissappeared, but  
when you came back it became quite clear

And never asked why my Dad sold drugs to survive  
But I know why, he still can't look my in the eyes  
But the pain keeps my alive, adapt and overcome is  
how I survived 2x's  
Adapt and overcome, survive where I'm from,  
There's no God in the slums, just unanswered prayers  
from the forgotten ones! 3x's
