There were times I left your heart in vain,
Times I turned and walked away.
I get to where I'm going just to find.
I won't be happy in this world without you by my side.
Ellie My Love, So sweet.

My heart told me to break away,
Now I'm out here far away.
I wish I could hold you when it's light.
Then I'd wake up to a morning that is warm and bright.
Ellie My Love, So sweet.
Ellie My Love, So sweet.

Smile for me won't you baby,
Forever you'll be on my mind.
Stay with me won't you baby,
We're gonna make it right this time.
There's no one else but you,
Anything you want I'd do.
Ellie My Love, So sweet.
Ellie My Love, So sweet.
