Twila Paris

There is an ocean surrounding me

Mostly the water is calm

Just enough breeze to keep me sailing

I feel sage and warm

Angry winds blow suddenly

How this world can threaten me

Then the Master speaks with sure authority

Chorus

Peace be still, Peace be still

Peace be still to the wind and the waves

Peace be still, Peace be still

Peace be still and the ocean obeys

There is an ocean inside my heart

Mostly the water is calm

Just enough breeze to keep me sailing

I feel safe and warm

Angry winds blow suddenly

I become a churning sea

Then I hear a quiet voice--He says to me

Repeat Chorus

Angry winds blow suddenly

I become a churning sea

Then I hear a quiet voice--He says to me

Repeat Chorus
