All my life has passed before my eyes.  
All disappointments,  
Mistakes and all,  
That will never come true.  
I am going away forever,  
All is left behind,  
All that occurred,  
All that was supposed to have happened  
But will never be.

Oh, if someone had only known  
How painfully and offensively  
Was leaving something that hadn't been finished,  
Something that you had left inside of yourself  
Something that could have been realized but will never  
happen  
And will leave with you forever.

But every man has a hope,  
Light which glimmers,  
On which you lay all  
That you didn't manage  
Or didn't have time to do

But if you are deprived of the last hope,  
Last desire, last request,  
That is what death is -  
Failure of hope, thoughts, ideas  
Failure of the last that you have -  
Belief in hopeful future,  
In a happy life.
