Under the mask of death  
Is the mask of dream  
Under the mask of dream  
Is the mask of lie  
Under the mask of lie  
Is the mask of death

Dream is after life.  
Lie comes after dream  
Death comes after lie  
Dark is after death  
Fear's after dark  
And it's just the beginning...  
NO!...

The truth is that...  
You thought you had won and remained alone,  
and were the master of everything  
But there isn't a place for the good in the world.  
Evil and hell is here.

They all have betrayed you.  
Why save them from crucifixion?  
Hammer in a nail into consciousness of their mind.  
By pushing them into the abyss  
Of death, evil and misery
