Let's give up
Let's give in
Desperate, pathetic, the same place I've been
Sing all night
Sing all night
Sing all night long

I had it, a feeling of failure sucked dry
Lost like a camera's wide open eye
We've lost it a feeling for staying alive
Free from infection
Free from this life

(Some days)
Some days slip while others come crashing in
(Some days)
Some days...

I had it, a feeling of failure sucked dry
Lost like a camera's wide open eye
We've lost it a feeling for staying alive
Free from infection
Free from this life
Sing all night
Sing all night
Sing all night long

I had it, a feeling of failure sucked dry
Lost like a camera's wide open eye
We've lost it a feeling for staying alive
Free from infection
Free from this life
(Free from this life!)

Let's give up!
Let's give in!
Let's give up!
Let's give in!
Let's give up!
Let's give in!
Let's give up!
Let's give in!

Some days slip
Some days slip

Sing all night
Sing all night
Sing all night long

Sing all night
Sing all night
Sing all night long
