"My Generation"

People try to put us down, talking 'bout my generation
Just because we get around, talking 'bout my
generation
Things they do look awful cold, talking 'bout my
generation
Hope I die before I get old, talking 'bout my generation

Chorus:

This is my generation / This is my generation
This is my generation / Oh yeah my generation
This is my generation / My generation

Why don't you all fade away, talking 'bout my
generation
Don't try and dig what we all say, talking 'bout my
generation
I'm not trying to cause a big sensation, talking 'bout my
generation
I'm just talking about my generation, talking 'bout my
generation

Chorus

????? ?? ???? [On your feet, Russian people]
????? ?? ???? [On your feet, Russian people]
????? ?? ???? [On your feet, Russian people]
????? ?? ???? [On your feet, Russian people]

Chorus

People try to put us down, talking 'bout my generation
Just because we get around, talking 'bout my
generation
Things they do look awful cold, talking 'bout my
generation
Hope I die before I get old, talking 'bout my generation

Chorus

This is my generation
?? ?? ?????? [This is my generation]

This is my generation / This is our generation
This is my generation / My generation
This is my generation / Oh yeah, Oh yeah
This is my generation / Hey, oh yeah
This is my generation / Yeah!
