### "Politics Of Love"

Visit "[Politics Of Love](#)" on MotoLyrics.com

Call me a dreamer  
My dream is sharp like a knife  
I wanna look to the future  
I wanna see you alive

Live in a TV  
They say you've nothing to lose  
They're never short for a promise  
They're never short an excuse  
You just  
Look to the right  
You got it  
What?  
POLITICS  
Look to the left  
You got it  
What?  
POLITICS  
Look to the sky  
You got it  
What?  
POLITICS  
da da da da da da da da da  
We need the politics of SUN  
To shatter ice  
We need the politics of RAIN  
To stop the drought  
We need the politics of WIND  
To scatter clouds  
We need the politics of LOVE  
To work it out

The politics alone are not enough  
We need THE POLITICS OF LOVE

Call me a dreamer  
We only do what we can  
I do believe we can change it  
I wanna dream to the end

They say there's not enough love to go around

And not enough time to find it  
Even if there would be enough love  
They lie
