Life can be so daunting,
The spirits haunting,
Though Iâ€™m just flesh and blood,
I set my sights on,
A spirit crushing time bomb
And no one can set me free
Everything changes
Everything ends,
Everything changes,
Fall down
Goodbye Dorian,
The Gray sky mourning,
Youâ€™ll be free
Iâ€™m sure youâ€™ll be ok,
Go live the choice you made,
Sullen and lifeless
With the good times came a cost,
I finally felt the loss
And quietly fell apart
Goodbye Dorian,
The Gray sky mourning,
Youâ€™ll be free,
Where you want me, want me to be
And mark my words,
I shall be seen,
Youâ€™ll see my bones,
Canâ€™t feel a thingâ€¦
Mark my words,
I shall be seen,
Youâ€™ll see my bones,
Canâ€™t feel a thingâ€¦
