Come along with me  
To a town beside the sea  
We can wander through the forest  
And do so as we please.

Come along with me  
To a cliff under a tree.  
Where we'll gaze upon the water  
As an everlasting dream

All of my affections  
I'll give them all to you  
Maybe by next summer  
We won't have changed our tune

'Cause we'll want to be  
In this town beside the sea  
Making up new numbers  
And living so merrily

All of my affections  
Give them all to you  
I'll be here for you always  
And always be for you

Come along with me  
To a town beside the sea  
We can wander through the forest  
And do so as we please

Living so merrily
