### "Eskimos To Astronauts"

Visit "[Eskimos To Astronauts](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I never say enough,  
From Eskimos to astronauts,  
We're all the same we're all afraid of love,  
So why is it so hard,  
To tell you how I really feel?  
I know I got to show what's in my heart,  
So here it goes,

I can change your world,  
And I know I know, all I want is you,  
And you can change my world,  
So come on come on, can you feel it too?  
All I want is you-ou-ou-ou-ouuuu,  
You-ou-ou-ou-ouuu-ou-ou-ouuuuu,

Maybe I'm a fool,  
Did I cross a fragile line?  
The danger signs are flashing red and blue,  
Should I phone a friend?  
I'm so confused, oh what to do?  
Maybe I should say it all again,  
So here it goes,

I can change your world,  
And I know I know, all I want is you,  
And you can change my world,  
So come on come on, can you feel it too?  
All I want is,

You to tell me how you feel,  
What is fake and what is real,  
I need to know exactly where I stand,  
There is nothing more that I can do,  
Now it's out, I've told the truth,  
Baby won't you take me as I am!

And I can change your world,  
I know I know, all I want is you,  
You can change my world,  
So come on come on, can you feel it too?  
All I want is you,

To change my world,  
I know I know, all I want is you,  
You can change my world,  
So come on come on, can ya feel it too?  
All I want is you-ou-ou-ou-ouuuu,  
You-ou-ou-ou-ouuu-ou-ou-ouuuuu,

I never say enough,  
From Eskimos to Astronauts,  
We're all the same we're all afraid of love,
