Who are you?  
Shut your mouth  
And get the fuck out of my way  
What do you want?  
Come closer here  
I'll break your bones and peel your skin  
I hate you all  
You get on my nerves  
I can't control myself no more  
What do you want?  
Do you want to fight?  
I will break your fucking neck!

You walk around  
And think you're tough  
But you have no idea of what I am  
What I'll do  
If you push me  
And I will get my hands on you  
I'll drain your heart  
Hang you upside down and tear you apart  
Fuck you!  
Bring your friends  
Now it's awake and waiting for you

Bring it on  
You can't hurt me  
Great powers of the dark fuels me  
My flame burns strong  
I'm giving in  
Now I am awake and I am alive  
I'll break your arms  
Break your legs  
Spread my wings and take your life  
Do you see me now  
For what I am  
The fire in my eyes burns from my soul

I grow tall and strong  
And the beautiful darkness sets me free  
I am losing myself to live  
Immortality!

Bring it on  
You can't hurt me  
Great powers of the dark fuels me  
My flame burns strong  
I'm giving in  
Now I am awake and I am alive  
I'll break your arms  
Break your legs  
Spread my wings and take your life  
Do you see me now  
For what I am  
The fire in my eyes burns from my soul
