Carrion

In a moment I've lost
Taken from the inside
Her eyes take me away
Tear me apart from the inside out

Did I speak in volumes?
But a mass refuse to move
Could this ever be the last time?
The final time
That we take this road

Give me the strength to return
Return the breathe you've stolen
Give me the means to resist
Resist
Her heart I've broken again

Reflections
Built upon sorrow
We're walking the darkest road
And it just got lit with regret

In a moment I've lost
Taken from the inside
Her eyes take me away
Tear me apart from the inside out
Oh
From the inside out
The inside out

We've been running blind
And now were falling through the cracks
Were left running
We are running blind
Now were falling
Falling through the cracks
Into the world dead

Her shutting eyes
Her shutting eyes
There shutting eyes want your return

Back to the world of the dead

In a moment I've lost
Taken from the inside
Her eyes take me away
Tear me apart from the inside out

My love I left
My heart I left
With a promise to return
A promise to return
